

Early Start

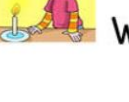

LANGUAGES

Bringing primary languages to life

The French/ German programme will be repeated on rotation for 2 years at a time. This will enable new children to pick up the initial vocabulary and allow the older children, the opportunity to return to their learning and extend this further by applying it to different situations, looking at abbreviations or different forms of the initial terms and to rehearse these in conversation.

	Autumn	Spring	Summer
KS1 introduction to languages	Greetings Days of the week	Numbers 0-10 Months of the year	Colours Animals
