1st December 2020

Dear Parents

Christmas is such an important time for children, we love sharing the talents of our children and this year is no exception. With covid-19 disrupting many plans throughout the year, we are determined to keep the magic of Christmas at Helmingsham with a few Christmas songs for you to enjoy.

Unfortunately, there are still restrictions in place so it will be a virtual effort this year but we hope to make it as special as we can. You have all come to expect and love the school Christmas performance however, the children will still be taking part in Christmas songs, which we will then film, record and edit, and upload on google classroom to share with you as parents towards the end of term.

Year 1 – 6 children will be singing a medley of Christmas songs and the children in Hedgehogs class will be acting in a narrated nativity and singing a song for you.

We hope that you will enjoy our digital Christmas offer but please do note, it is prohibited to record, share or download any content of this digital offer and we will be disabling this function before uploading. By signing below you understand and agree to this request.

If you have any concerns or questions about this, please contact the class teachers or myself and we will be very happy to answer any questions that you may have. We are sure you will understand that without any written consent your child will not be able take part.

Yours sincerely
